ANTHONY GATTO
EXECUTIVE DEAN

Ms. Caroline and Caroline Inspires LLC allowed for many of my students to really feel connected to a trusted adult in the building. It gave them outlets for their creativity, frustration, and activism as well as someone to turn to when they were struggling.

THE CHARLES SCHOOL STAFF

Caroline has literally changed my life and I would probably have committed suicide had I not had her come into my life and support and love me.

STUDENT

This lady is wonderfully needed and most of all authentic. Her programming and resources saved many children and thank God she helped my child as well as many others in ways that are unimaginable. Thank you Ms. CAROLINE YOU ROCK MAY GOD CONTINUE TO BLESS YOU.

PARENT OF 11TH
GRADE STUDENT

I met Ms. Caroline at a performance in the city and upon hearing her story told through her performance, asked if she would address our school community at the 5th grade promotion ceremony. The staff and students were so enthralled by her energy and presentation, that I pursued a more interactive experience for the students, and CarolineInspires delivered!
